Re: Mark Gugliuzza et. al., Plaintiff v. Jason Lyberger and Swift Transportation Co. of Arizona, LLC, Defendant
Civil Action No. CV421-140
United States District Court, Southern District of Georgia

Dear Mr. Fox,

Pursuant to your request, I am writing this letter to you and providing my preliminary opinions in the above-referenced matter.

To date, I have had the opportunity to review Mr. Jason Lyberger's Medical Examiner's DOT certificates from 2012 through 2020, his Memorial University Medical Center records (2722 pages), and an Axon Body Camera footage from January 17, 2021 (approximately 39 minutes).

The opinions stated in this letter are to a reasonable degree of medical certainty, based on the information reviewed and obtained as of the date of the letter. Any additional information not yet reviewed may alter the opinions contained in this letter.

My opinions are based on my training and experience. I obtained my undergraduate degree in psychology from the University of Virginia in 1991. I obtained my M.D. from Mercer University School of Medicine in 1997. I completed my residency in psychiatry at Emory University in 2001, served as Chief Resident at Emory University Hospital in 2000 through 2001, and completed my fellowship in forensic psychiatry at Emory University in 2002. I am board certified in psychiatry with added qualifications in forensic psychiatry from the American Board of Psychiatry and Neurology. I have continuously practiced general and forensic psychiatry in Georgia since obtaining my medical license there in 1998, including diagnosing and treating Bipolar Disorder, Schizophrenia, Schizoaffective Disorder, and Delirium. I also hold an appointment and actively teach as an Adjunct Associate Professor with the Department of Psychiatry and Behavioral Sciences, Emory University School of Medicine. I was also appointed to the Georgia Composite Medical Board in 2019 and am currently Chair. Further, my CV is attached.

On January 17, 2021, Mr. Jason Lyberger (“Mr. Lyberger”) was involved in an incident while operating a commercial vehicle in Savannah, Chatham County, Georgia. He was reportedly the driver of a semi-truck that struck numerous vehicles. Emergency Medical Services reported that he was “combative on scene requiring sedation and restraints.” He was subsequently admitted to Memorial University Medical Center. He was discharged from the hospital on February 18, 2021.

Mr. Lyberger’s Medical Examiner’s Certificates from 2012 through 2020 indicated he had a history of psychiatric illness. Through the years, this was variously diagnosed as Schizophrenia, Bipolar Disorder, or Schizoaffective Disorder. The Medical Examiner’s Certificates indicated that his treating psychiatrists would provide “clearance letters” in support of his being certified to commercially drive. The certificates provided evidence of psychiatric stability. His most recent certificate prior to the accident was signed on April 7, 2020 by Linda Mangione, PA. Ms. Mangione noted the history of “Bipolar : Schizoaffective [with] clearance from psychiatrist.” Her determination was that Mr. Lyberger met standards for certification for a period of one year.

The Axon Body Camera footage from January 17, 2021, provided evidence consistent with Delirium. The video footage was inconsistent with Mr. Lyberger having an acute psychotic or manic episode. That is, the behavior noted was not indicative of manic behavior, hallucinations, or delusions. Thus, the video footage was inconsistent with Mr. Lyberger’s Schizoaffective Disorder or Bipolar Disorder being explanatory for his behavior at the time of the accident.

Mr. Lyberger’s Medical University Medical Center records noted multiple medical diagnoses, including hyponatremia, diffuse subarachnoid hemorrhage, bipolar disorder, and delirium. His serum sodium on admission was 111 milliequivalents per liter (mEq/l). Normal serum sodium levels are between 135 and 145 mEq/l. Hyponatremia is defined as any serum sodium level below 135 mEq/l. Severe hyponatremia begins at a serum sodium level below 120 mEq/l. One of the treating clinicians noted that Mr. Lyberger was on hydrochlorothiazide (HCTZ) “prior to admission as well as Depakote and Remeron. All of these can cause hyponatremia.” The clinician recommending listing HCTZ as an “adverse reaction.” In my opinion, the clinician was indicating that HCTZ be listed as a known drug allergy for Mr. Lyberger. In addition (and in consultation with psychiatry), neither Remeron nor Depakote were listed as an allergy.

The Medical University Medical Center records also noted that Mr. Lyberger’s psychiatric condition was not of acute concern. Some of his pre-accident medications (i.e., Depakote) were continued while he was in the hospital and no major psychiatric medication adjustments were noted. Thus, Mr. Lyberger’s Schizoaffective Disorder was not considered an acute problem while he was in the hospital and his psychiatric medications were not considered so contributory to his hyponatremia to discontinue them. However, in treating Mr. Lyberger and resolving the acute and life-threatening hyponatremia, the Depakote was not discontinued or altered. With the subsequent resolution of his hyponatremia, any suspected causal relationship of hyponatremia and its behavioral conditions to these medications and psychiatric conditions was disproved by the ensuing care.

Hyponatremia (which was Mr. Lyberger's most acute and critical problem on admission to the hospital) can cause extreme confusion and behavioral changes. Psychiatrically, this is diagnosed as delirium. The Medical University Medical Center diagnosed Mr. Lyberger with delirium. Delirium is the most likely cause of Mr. Lyberger's confusion and behavioral changes at the time of the accident.

There were no records reviewed to support that Mr. Lyberger had prodromal symptoms related to his hyponatremia. That is, the medical records do not indicate whether his symptoms were insidious or acute in onset. Certainly, hyponatremia can occur without significant clinical notice to the individual.

In summary, a review of the medical records, body cam video, and medical certificates support Mr. Lyberger exhibiting unpredictable impairments in his cognition and behavior related primarily to hyponatremia and not any pre-existing psychiatric condition or medication.

If you have any questions about this letter, I would be happy to answer them. Please feel free to telephone me at 404-495-5900.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew W. Norman', with a stylized, cursive script.

Matthew W. Norman, M.D., DFAPA
Chair, Georgia Composite Medical Board
Board Certified, Psychiatry & Forensic Psychiatry, American Board of Psychiatry & Neurology
Adjunct Associate Professor, Department of Psychiatry, Emory University School of Medicine

Current Practice: Matthew W Norman, MD, LLC:
Private Practice, general and forensic psychiatry, 2002 -
consulted in over 3000 forensic issues
consulted in over 1500 criminal evaluations
consulted in over 400 murder evaluations
testified and qualified over 200 times

Emory University School of Medicine:
Adjunct Associate Professor, 2016 –
Adjunct Assistant Professor, 2002 - 2016
Department of Psychiatry and Behavioral Sciences

Georgia Composite Medical Board:
Chair, 2022 –
Board Member, 2019 –
appointed by Governor Brian P. Kemp

Type of Practice: Academic (volunteer teaching)
Administrative (volunteer service)
Consultative (forensics)
Direct patient care (adults)

Education: B.A., psychology, 1991, University of Virginia
M.D., 1997, Mercer University School of Medicine
Resident in Psychiatry, 1997 – 2001, Emory University
Chief Resident in Psychiatry, 2000 – 2001, Emory University
Fellow in Forensic Psychiatry, 2001 – 2002, Emory University

Licensure: Georgia Medical License No. 46191 (1998)
Iowa Medical License No. 46652 (2019)

Certifications: American Board of Psychiatry and Neurology:
Psychiatry (Certificate #51679, 2002)
Forensic Psychiatry (Certificate #1436, 2003)

Previous Psychiatric Experience:

Emory University:

Adjunct Assistant Professor of Psychiatry, 2002 – 2016
Psychiatrist, Faculty Staff Assistance Program, 2003 - 2008

Grady Memorial Hospital:

Psychiatrist, Atlanta City Detention Center, 2003 – 2011
Physician, Psychiatric Emergency Services, 1998 - 2002

Georgia Institute of Technology:

Psychiatrist, Student Health Center, 2002 – 2003

Georgia Department of Human Resources:

Physician PRN, Georgia Regional Hospital at Atlanta, 1999 –2002
Health Service Technician, Georgia Mental Health Institute, 1991
Health Service Technician, Georgia Mental Health Institute, 1989

DeKalb Community Service Board:

Physician, DeKalb Crisis Center, 1999 – 2000

Psychiatric Institute of Atlanta:

Mental Health Assistant, 1992 – 1993

South Carolina Department of Mental Health:

Mental Health Specialist, Bryan Psychiatric Hospital, 1990

Teaching Positions:

Emory University School of Medicine:

Adjunct Associate Professor, Department of Psychiatry, 2016 –
Adjunct Assistant Professor, Department of Psychiatry, 2002-2016
Teaching responsibilities for forensic psychiatry fellows, residents, and medical students (including capital litigation assessments, competency to stand trial, criminal responsibility, IMEs, and fitness-for-duty evaluations) and providing psychotherapy supervision for psychiatry residents.

Chief Resident, Department of Psychiatry, 2000 - 2001

Teaching responsibilities for second year residents and third year medical students at Emory University Hospital

Honors and Awards:

Psychiatrist of the Year, Georgia Psychiatric Physicians Association, 2015
Atlanta Super Doctors®, 2012 -

Distinguished Fellow, American Psychiatric Association, 2011

Excellent Teaching Resident Award, Emory University, 2001

Excellent Teaching Resident Award, Emory University, 2000

American Psychiatric Leadership Fellowship, American Psychiatric Association, 1999 (“most prestigious fellowship program in the APA”)

Professional Memberships:

Federation of State Medical Boards (Fellow), 2019 -
American Academy of Psychiatry and the Law, 1998 -
Georgia Psychiatric Physicians Association, 1997 -
American Psychiatric Association (Distinguished Fellow), 1994 -
American Medical Association, 1993 -

Research Experience:

Co-investigator and coordinator, “A comparison of psychiatric emergency transport services through consumer satisfaction interviews.”
Keith Wood, Ph.D., Principal Investigator, 1999 - 2002

Co-investigator and coordinator, “A comparison of psychiatric emergency transport services through family satisfaction surveys.”
Keith Wood, Ph.D., Principal Investigator, 1999 - 2002

Present and Past Administrative Responsibilities:

Georgia Psychiatric Physicians Association (GPPA)

2019 -	Board Trustee
2018 -	Advocacy & Legislative Committee
2014 -	Awards Committee
2013 -	CME Committee

Re: _____

Forensic Fee Schedule

I. Fee Schedule for providing expert services.

- | | |
|---|---------------|
| • Psychiatric consultation and/or written report | \$600.00/hr |
| • Review of deposition, records, reports, testing or other data | \$600.00/hr |
| • Conferences with attorneys or others as requested | \$600.00/hr |
| • Research as required | \$600.00/hr |
| • Psychological testing | \$300.00/test |
| • Testimony in Court / Deposition: | |
| ½ day (up to 4 hours) in Metro Atlanta Counties | \$3,000.00 |
| Full day in Metro Atlanta Counties | \$6,000.00 |
| (Metro Atlanta: Clayton, Cobb, DeKalb, Douglas, Fulton, Gwinnett) | |
| Non-metro Atlanta | \$6,000.00 |

II. Fees for expert testimony and days away from office (traveling on weekdays) are billed for a full calendar day and not for any increments of times thereof. All expenses incurred will be billed after computation. All fees are set independently by each physician and subject to change.

III. Any billed items shall be payable within 30 days to Matthew W Norman MD, LLC (TIN 20-0332027).

IV. It is hereby specifically agreed that payment of all fees and expenses as outlined are the full responsibility of the undersigned/firm and payment is not contingent on any verdict, outcome, or settlement of the above captioned matter.

V. For out of state cases, it is the responsibility of the hiring attorney to assure that any issues pertaining to medical licensure are addressed / resolved in advance of services rendered.

VI. This evaluation is for forensic purposes only and does not constitute a traditional doctor-patient relationship.

VII. Until this signed agreement has been received, the doctor has not been retained.

Agreed and Accepted by:

Attorney/Individual

Name of Firm

Date

Signature shall bind firm/individual to payment.
